USD No. 432

Mission Statement

USD #432 is focused on student achievement and school improvement. The five R's will guide us as we prepare our PK-12 students for college and career readiness; Caring Relationships, A Responsive Culture, Relevant Educational Opportunities, Rigorous Coursework, Results Evident in Growth and Learning.

Values and Beliefs About Children and Learning USD #432

1. We believe our schools should be responsive to the diverse needs of students.
2. We believe our schools and educators should emphasize process, as well as outcome, and should stress critical thinking and problem solving.
3. We believe that learning is a life-long process where students should be active problem solvers and responsible decision makers.
4. We believe our schools should provide a positive and safe atmosphere that enhances human potential and promotes respect for self, community, and country.
5. We believe our schools should ensure a secure environment where all students will acquire knowledge, grow in wisdom, develop confidence and value life-long learning.

— BOARD OF EDUCATION GOALS —

DISTRICT MISSION STATEMENT

USD #432 is focused on student achievement and school improvement:

- + Caring Relationships
- + A Responsive Culture
- + Relevant Educational Opportunities
- + Rigorous Coursework
- + Results in Growth & Learning

DISTRICT GOALS

To ensure a quality education for all students, USD #432 will provide:

- + Sufficient oral and written communication skills to enable students to function in a complex and rapidly changing civilization;
- + Sufficient knowledge of economic, social and political systems to enable the student to make informed choices;
- + Sufficient understanding of governmental processes to enable the student to understand the issues that affect his or her community, state and nation;
- + Sufficient self-knowledge and knowledge of his or her mental and physical wellness;
- + Sufficient grounding in the arts to enable each student to appreciate his or her cultural and historical heritage;
- + Sufficient training or preparation for advanced training in either academic or vocational fields so as to enable each child to choose and pursue life work intelligently; and
- + Sufficient levels of academic or vocational skills to enable public school students to compete favorably with their counterparts in surrounding states, in academics or in the job market.
